STATEMENT OF OBJECTS AND REASONS

Madhya Pradesh is a geographically vast and socially diverse State. Providing quality in the higher education to the youth of this vast State is a challenging task. Madhya Pradesh is the leading State to implement the National Education Policy, 2020. The gross enrollment ratio of the Madhya Pradesh for the year 2021-22 is 28.9 percent and the average gross enrollment ratio of the country is 28.4 percent. In the National Education Policy, 2020, the target is to increase the gross enrollment ratio to 50 percent by the year 2035.

2. Among the goals of qualitative improvement in the field of higher education, the aim is also to reduce the affiliation burden of universities. Limiting the jurisdiction of already established universities shall reduce their affiliation burden, which shall increase their working efficiency.
3. In view of the above, it is necessary that new affiliating universities shall be opened and universities capable of giving affiliation shall be established in tribal areas. In the sequel, Krantisurya Tantya Bhil University, Khargone is being established in Khargone and Krantivir Tatya Topte University, Guna is being established in Guna.
4. Therefore, for the purpose of establishing Krantisurya Tantya Bhil University, Khargone and Krantivir Tatya Topte University, Guna, appropriate amendments are proposed in the Madhya Pradesh University Act, 1973 (No. 22 of 1973).
5. As the matter was urgent and the legislative Assembly was not in session, the Madhya Pradesh Vishwavidyalaya (Sanshodhan) Adhyadesh, 2024 (No. 2 of 2024) was promulgated for the purpose. It is now proposed to replace the said Ordinance by an Act of the State Legislature without any modification.
6. Hence this Bill.
